

Our Commitment to the Environment

Mirolin has a deep-rooted commitment to being a responsible corporate citizen. We promote on-going conscientious practices in both manufacturing and in day-to-day operations. Mirolin is constantly looking for new ways to produce less manufacturing waste. We operate our manufacturing facilities as efficiently as possible with conservation of energy and the environment in mind.

Mirolin will continue to:

- ✓ Employ company-wide **recycling** programs in all our facilities
- ✓ Adhere to **responsible manufacturing** practices – careful management of material sourcing, process improvement, and supplier selection
- ✓ Develop and manufacture products using materials that have **less impact** on the environment
- ✓ Promote and expand **recycling** programs in place with suppliers
- ✓ Identify ways to **reduce energy consumption** and strive to operate energy efficiently
- ✓ Print documents and marketing materials on **FSC certified paper** products, whenever possible
- ✓ Use corrugated materials made only from **100% recycled materials** in packaging of products
- ✓ Strive to source packaging materials that can be **recycled** by our customers
- ✓ Provide on-going education to our employees on ways to be **more eco-friendly** at home and work
